GOOD TIMES ARE COMING.

The good old times are coming from the North
and South and West.
The orders will be crowding until there isn't
any rest.

We've only been a-waiting and a-breathing for
a spell.
But things are sort of settled, and we're feeling
pretty well.

The people ain't a-going to take to wearing
wooden shoes
Just because there was a panic and the bank-
ers got the blues.

Our country's still as big and strong and rich
as it can be.
And the good old times are coming; just wait
and you will see.

The good old times are coming, and they're
coming mighty soon.
The trade winds are blowing like a regular
monsoon.

You can hear the wheels a-turning, and hear
the shoe men say.
They bairn't felt so encouraged this many and
many a day.

Don't listen to the croaker, 'cause his liver's
choaked with bile.
He'd sooner groan in misery than wear a
pleasant smile.

But join the grand procession and help to
swell the song.
The good old times are coming, and they're
coming right along.

—Shoe and Leather Review.

Mr. W. S. Martin is an Independent
candidate for Constable in the Sardis
District, to be voted for at the November
election.

Governor Bradley has been invited to be
present at the Campfire of Joe Heiser
Post, G. A. R., to be held at Electric
Park three evenings during Fair week.

An infant son of Mrs. Richard Cogan
of Cincinnati died of cholera infantum
and was interred at Washington Thurs-
day. The child's father died about three
weeks ago while on a visit to relatives at
Maysville.

The voters of the Eighth Magisterial
District have a staunch friend in Squire
W. H. Hook, who is a candidate for re-
election. Mr. Hook has been an ardent
Free Turnpike advocate, and has never
lost an opportunity to do what he deemed
best for the people not only of his own
District but of the whole county.

"Fair Week" promises to be quite
lively. With the Fair during the day-
time, a Beaumont by the G. A. R. at
Electric Park and a fireworks Repertoire
Company at the Opera house every even-
ing, with the Salvation Army in high
marching order both day and night, it
does look like there'll be enough excitement
to keep the mosquitoes off our moss-
backs.

Dr. James Shackelford has been ap-
pointed by the State Board of Health a
member of the County Board of Health.
He has gotten his certificate and is now
ready to sit with the Board upon quaran-
tine, prevalent diseases or contagious
epidemics. The Board in authority has
been reorganized and is now organized as
follows: Dr. James Shackelford, Presi-
dent. Dr. H. K. Adamsen, Dr. Thomas E.
Pickett, Secretary.

THE LEDGER desires to assure every
body that 25 cents will admit persons to
every department of the Mayville Fair.
Pay 25 cents at the gate, and there will be
no extra charge whatever for the Wild
West show, the Balloon Ascensions or
seats on the Grandstand. The men at the
head of this enterprise are Mayville
men, and they cannot afford to "fake"
anybody. Come to the Fair and satisfy
yourself.

Y. M. C. A. MATTERS.

What the Local Association is Doing For
the City's Young Men.

Rev. H. A. Brown, a graduate of Cen-
ter College who will shortly leave for
South Dakota, will speak at the Men's
Rally tomorrow afternoon at 4 o'clock.
Subject, "The Holy Spirit." Rev. Brown
is a deep spiritual man personally, and
what he will have to say on this interest-
ing subject will prove of lasting benefit
to all who hear him and especially Chris-
tians. The spirited congregational sing-
ing will be enjoyed by all who attend. Let
the workers engaged in Christian
work in our city attend this service so
that they may obtain a clearer insight as
to the workings of the Holy Spirit. Let
all our men attend, so that the whole ser-
vice may be one very helpful in its ten-
dencies. Luncheon at close.

Highest market price paid for Wheat
and Rye at the Old Gold Flour Mills.

The Republicans of Carter, Lawrence,
Boyd, Morgan and Elliott counties have
nominated R. D. Davis of Ashland for
Circuit Judge, James B. Wilhoit of

KICKERS' CORNER

If any one at any time for any reason has
any cause to "kick" in any way at anything
of any kind, here's the place to say his say.
The door is open—walk right in and help
yourself, free gratis and for nothing—but
don't make your "kick" too long—it's the
short, quick fellow that counts—and eat.

25c—The name of the kicker must accom-
pany the kick, or it'll be kicked into the
waste-basket.

Heater Kicker: Inasmuch as many of
our citizens are so slow that they are
afraid of being run over by the C. and O.
trains, how would it do for the Railway
Company to have an ordinance passed
fining every non-sun found standing,
sitting, lying, walking, lounging or sleep-
ing on the Front Street Miranda?

Damn it.

FAIR NOTES.

Some of the Attractions The Mayville
Fair Offers to Patrons.

The greatest festival of mercantile
commodities ever presented to a Fair-
going people will fill Mayville Fair Floral
Hall for four days, September 22d to
25th. Not only are the local merchants
interesting themselves to make each ex-
hibit representing his particular line sur-
pass any yet admitted before the human
gaze, Mayville dealers as well as large
manufacturing concerns will be in this
van. First and foremost, the Standard Oil
Company, followed closely by the Kim-
ball Piano Company, two or three range
companies, while other concerns are
negotiating for space, all of which point
to the magnitude of the enterprise which is
limited only by lack of space.

The good women of our city and
county are deeply interested in the art
department, in the domestic side of life,
the fruit and flowers, cakes, bread, pre-
serves and jellies, which will equal any
exhibit at any fair, and on account of the
perfection of fruit will surpass in quality
any ever gotten together. The arrange-
ments absolutely are in the hands of the
Superintendent, and he wishes to assure
exhibitors of the perfect good faith which
shall characterize his dealings in every
department. Honesty, sound judgment,
impartiality shall rule in the Floral Hall,
and exhibitors can rest assured that en-
trance of their wares will not only be
carefully looked after, but returned in-
vulnerable and subject to owner's order.

Now every one make arrangements,
all take part in this branch of Mayville
Fair. It is by individuals acting that a
consensus of opinion is formed. Not only
should your interests be aroused, but
your presence is courteously asked for,
and a cordial welcome awaits all at
the Mayville Fair, which convenes Sep-
tember 22d, continuing to Saturday, 25th.
Tuesday, the 21st, being used as recep-
tion day for all articles. Price of admis-
sion to all, 25 cents.

No trotting or running races are to be
witnessed at Mayville's great Fair, Sep-
tember 22d to 25th, this fall. Hereto-
fore big sums of money have been of-
fered for these attractions, which are of
interest to a small following only, while
the real patrons to a fair are shut out.
Now, as home merchants are conducting
this Fair, which is to be a fall ingather-
ing, a harvest home, where friend meets
friend in joys and pleasures mutual, the
time will be given up to happiness, which
enlists the majority and calls them forth
to have some fun. In lieu of races green
horses will compete for small money pre-
miums each day. Any horse is eligible
which has no record, owners to drive,
no entrance fee, no charges whatever.

Wednesday, September 23d, Brown and
Adams county horses. Thursday, Sep-
tember 24th, Fleming and Bracken. Fri-
day, September 25th, Robertson and Ma-
son, while Saturday is set apart for a
free-for-all. Remember, either pace
or trotter can go in, as the races
will be mixed. This explained, we have
given to you a scheme brim full of ex-
citement, enthusiasm and fun. Train up
your roaster and come down to May-
ville Fair September 22d to 25th.

Eyesight

Is of such great value that one ought to
take more than ordinary precautions to
guard against every possible trouble.

If you have even a remote suspicion
that there is any trouble with your eyes it
will be for your own best interests to have
your vision tested and trouble, if any, re-
moved.

Very simple troubles may develop
serious results if not properly treated.

Ordinary failing eyesight receives our
most careful attention, both as to glasses
and frames.

It's just as important to have the
right frame as the right glass, and from
our large stock we can give you the cor-
rect thing in either Gold, Silver or Steel.

We make no charge for examinations,
and if yours is a case requiring the ser-
vices of an oculist we will frankly tell
you so.

Purely Business!

The columns of a newspaper represent
a cash value. No publisher can
afford to give advertising "notices"
free any more than a merchant can
lose over his counter the sale of his
goods or shoes. A newspaper is a in-
valuable business concern. Its col-
umns are its stock in trade, and ad-
vertisements should be paid for, no
matter in what part of the paper they
appear.

A FEW WORDS ABOUT OUR SHOES!

When we concluded to handle Men's
and Youth's Shoes quality was the first
consideration in our purchase. As
ranks in merit all our various lines, so
will the merit of our Shoes rank, too.
Messrs. Smith & Stoughton, who made
our Shoes for us, say to us, "Your \$2
and \$2.50 Men's Shoes excel all others
at the price." They further say, "We
made you a Shoe to retail at \$3 that
you can guarantee to wear equal to
any \$4 Shoe made in the world. We
warrant every pair of them. The
above-mentioned lines

Are in and on Sale!

The balance of our stock, comprising
many novelties in different shades
and finishes, are all in make and will
soon be in. It will pay you to wait for
them if you can conveniently do so.

A word or two about our Fall stock of

Clothing!

Our entire lines are in. They represent
the productions of the leading
manufacturers of Tailor-made Cloth-
ing in the country.

There are no Novelties
in the market, such as
Plaids, Checks, Stripes
and Colors, that are
not represented in our
stock.

We will take much pleasure to show
them to you, whether you wish to buy
or not. Favor us with your critical
examination. See what we have. Re-
